Sandy, what's up?
 Hey babe, we've gotten through
 another year yea! We'll
 know each other for a long
 time now! Sorry about the
 stupid fights or whatever they were
 that we got in this year, over the
 dumbest things! Well, I'm so glad
 that you made cheer ya! You'll
 gonna be rad! See but I can't write
 so much to say but I can't write
 it all so anyways, we'll gonna
 have the Raddest Summer!!

Student Life is a new section in our annual this year. The editors of the Pageant felt that the yearbook needed a more comprehensive section to cover the diversity of Granite Hills' students many activities. This section will cover those things previously covered in the Activities Section in past annuals, plus feature stories on student activities. We hope you will enjoy this new section.

ESP, Time for Programming

Melinda and Kathy search for a student ID.

Student volunteers are hard at work.

Don't worry, you are almost finished.

You have to be pushy to get ahead in sales.

Sandy,
Really glad I got to know
you this year. We have
had a lot of fun esp
at Mike's house together.
You are a very funny
person with a great
personality.

On Tuesday September 8, students left their surfboards
and beach towels at home and headed for the school
auditorium. Their purpose was ESP, early school program-
ming. With this procedure programming is much faster
and easier. At ESP, students have the opportunity to buy
their annual, purchase an ASB card and buy spirit items.
There is also the chance to greet old friends and to make
new ones.

Hope to see you a lot
this summer. Love
T.J.

It's time to kick back and relax.

Eric and Julie dare to be different.

Variety played a principle factor in fashion this year. Students were not content to look like everyone else. The Preppy look rose pants from ankles to knees by way of knickers and walking shorts. The punk influence was seen everywhere through headbands, hair-cuts and mini-skirts. From formal to western, students wore it all. The Rubik's cube was a huge success inspiring world-wide competition and big profits by selling how-to books to frustrated users of the cube. Fast food was replaced by a new all time favorite: frozen yogurt.

Spirit Shines Through the Students

The purpose of Spirit Week was to raise spirit among the students, their teachers, and to welcome incoming freshman. Halloween Reveals Our True Identities

Halloween proved to be a big success this year, nearly everyone participated. The costumes were very creative especially the ones designed and put together by the students themselves. They ranged from housewives to playboy bunnies and from indians to artesians. Even though Halloween happens only once a year, its enough time to see what our friends are really like.

Friendship: An Important Part of High School

Friendship is different things to different people. It is having fun, talking, sharing, and getting into trouble. Friends help the day go by faster and help when things go wrong. Whether it is going out on weekends or studying together after school, friendship is as much a part of high school as homework.

Friends stick together.

Friends don't always get along.

Friendship isn't always platonic.

Friends share the good times.

Friends make even boring times fun.

Friends are not shy with each other.

Friends like to hang-out with each other.

MEETING NEW PEOPLE

The International Club is a club founded to give the students of our school a chance to meet people from other countries and to learn more about the customs and beliefs of other nations. Through this process the student members learn more about the country we live in. Lasting friendships are often built among members of the International Club and the visitors from other countries that come to our school. For these and many other reasons the International Club is very popular on campus.

Officers: Mr. Hoffman, Patti Smith, Rebecca Edelman, and Paul Senkle.

Front Row: P. Smith, G. Thomas, M. Ababio, Y. Singh, S. Haisha, and R. Edelman. Second Row: P. Senkle, A. Jordan, L. Adams, M. Singer, K. Deyling, T. DeLucia, C. Emery, M. Muller, M. Momani, and advisor Mr. Hoffman.

Friends From Afar

Every year Granite Hills is very fortunate to have several students from other countries come to study on our campus. This is very exciting for the exchange students and the rest of the students that attend school here. Yashmin Singh said she really liked El Cajon. She enjoys the friendly people and the climate the most. The snow at Christmas time and her family are two of the things she misses the most. The exchange students enjoy meeting the students from our school as much as we enjoy meeting them. Everyone agrees that this program is very important in that it gives youths from different nations a chance for friendship and mutual growth.

Faculty Challenges Chargers

The Chargers proved once again how popular they are as they were greeted by a huge number of people who came to watch them play members of our faculty in a basketball game to benefit the basketball department of our school. Favorites from the Chargers included Hank Bauer, Kellon Winslow, Bill Shields, and Lynden King. The game was very fast paced and the faculty members put up a good fight but lost in the end. Everyone on both teams enjoyed playing as much as the spectators enjoyed watching.

Each year our school takes a weekend trip to Mammoth. This tradition started because of the Ski Club. This club is one of the most popular because not only does one get to participate in an exciting activity, one gets to meet a lot of new friends.

Where the Fun Is

Campus Life is a club organized especially for high school students. The meetings they hold every week give the students a chance to meet other people and learn more about themselves and the people around them. One of the favorite activities of Campus Life members is the annual "Scream in the Dark" a horror that is very popular during Halloween. Campus Life is one of the favorite clubs clubs on campus and it is no wonder why.

Christmas Dance: Magical Memories

This years' Christmas Dance was held at the Scottish Rite Temple on December 19. It is a tradition at Granite Hills to have an evening to dress up and share some Christmas magic. This years Christmas Dance was a time for fun and romance but the most important thing was that it was a time to create beautiful memories that will last a lifetime.

Events of

Triumph, terror and tears. 1981-1982 was a period of time that will not be easily forgotten. As a nation we witnessed mans extreme capacity for cruelty and his compassion for sacrifice and peace. 1981-1982 was a year in which we were the guests of a royal wedding, we welcomed back hostages, and mourned for a fallen leader. The reality of death struck hard as we witnessed the deaths of Anwar Sadat, William Holden, Natalie Wood, and John Belushi. The shock of their deaths hit home when we all realized that each of them had so much of life ahead of them. The world became one in watching the horror in the world around us. The fighting in Ireland saw many casualties on both sides, hundreds of innocent people met their death in their neighborhood streets. Atlanta was seized by terror as a killer stalked the black youths of the community. The tragic loss of many lives in various plane crashes and the disastrous sky bridge collapse at the Hyatt Regency in Kansas City, will long be remembered by young and old alike.

The Year

The year was not all bad though, it was marked with many great movies, concerts, sports, and special events. Raiders of the Lost Ark was a huge success with movie patrons, they loved the excitement and romance. Romance showed up again as the country fell in love with a couple and watched in awe as they were married. Of course we are talking about Prince Charles and Lady Diana. The Rolling Stones were greeted by a mass of fans old and young alike and proved once again that they are still one of America's favorite groups. Sports was the high light of San Diego this year. With such outstanding performances as the Chargers and the Soccers showed on the playing field it is no wonder San Diego is considered a big sports town. The Chargers went all the way to the play-offs and were one game away from the Super Bowl. The Soccers surprized the nation as they went from a losing record to claim the National Indoor title. The only black mark against sports was the Baseball strike that effected not only the players and the owners, but the patrons who rejoiced when they finally heard "Play Ball."

Wedding Bells Ring on Campus

Mrs. Schillingers 1st and 2nd periods family relations held a successful Mock Wedding. This class is to get you ready for married life and helps you prepare for when you get out of school. It takes you through dating — marriage — children — and divorce. The groom Mitch Atkinson said that the Wedding seemed like the real thing and he was shaking in his shoes. Mitch also said that the class is well worth it and he really enjoyed it.

For the past several years the Mock Wedding has been held on campus. It is not only popular with the members of the class but also with the entire school. After watching the ceremony many students decide to take the class which teaches many important lessons on adult life and responsibility.

A.S.B.: Working for a Better School

Every year Granite Hills students enjoy a wide variety of fun assemblies and other student activities. The thanks for these activities goes to the hard working Associated Student Body (ASB). Without their efforts we would not have many of the fun activities that we enjoy and that take away some of the boredom of going to the same classes day after day. Not only does the ASB plan the assemblies they think up ideas for skits, run Spirit Week, make the signs for Football games and other sports, and work to make Granite Hills not only a place to learn, but a place to have fun. So as you glance through the pages of this yearbook remember it took a lot of hard work by the ASB to make these activities happen.

A smile is cheer to you and me, the cost is nothing — it's given free — it comforts the weary — gladdens the sad, consoles those in trouble good or bad to rich and poor beggar or thief — It's free to all of any belief a natural gesture of young and old cheers on the faint — disarms the bold unlike most blessings for which we pray. This year Varsity Football season proved to be a disappointment as the Eagles were only able to pull out a third place in the league. Unfortunately, their season ended in tragedy when the eagles lost to Valhalla for the first time in Granite Hills history. The team was led by co-captains: Scott Gruneisen and Blain Nurse.

Our J.V. Team had an outstanding season this year. They were able to overcome every opponent and bring home an unbeaten league record.

This year's Varsity Basketball Team had a very successful season. This success was due to the talent of the players and the organization of the coaching staff. The defense put in a extra effort by keeping their opponents to under fifty points a game. The J.V. team showed great improvement as its record kept pace with the varsity.

Getting a Head Start

The C.S.F. (California Scholarship Federation) is a state-wide honorary scholastic association for academically outstanding high school students. The purpose of the association is to promote scholarship, service, and citizenship. Eligibility in the organization is based on a students' ability to make a minimum of ten points in academic subjects, an A counting

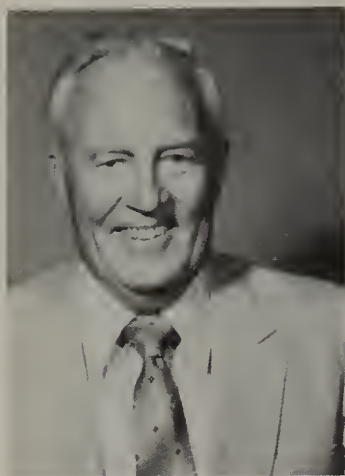

as three points and a B counting as one point. Graduating seniors who have been in CSF for at least four semesters during their last three years of high school are designated Sealbearers of Life Members. These Sealbearers are presented a pin at the time of graduation and the official Federation Chapter Seal is placed on their diploma and all other official records.

This year CSF had two very special social events. The first, taking place early in the second semester, was a donut party to meet and welcome the newly qualified freshman. The second event took place at the end of the year and was a farewell dinner. The dinner was to honor the graduating Sealbearers and to say goodbye to old friends.

Officers: Dan Nickerson, Stephanie Haisha, Robert Jensen, Polly Haisha, Colleen Emery.

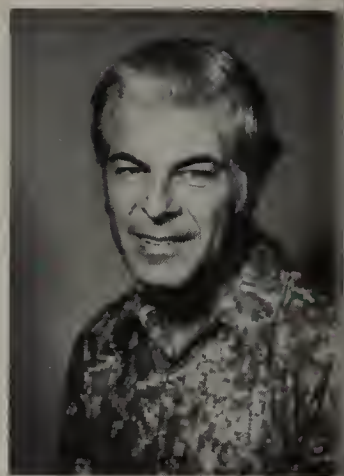

Sealbearers: Back Row: Dan Nickerson, Robert Jensen, Tony Kathol, Charles Bergan, Jay Foster. Front Row: Stephanie Spandl, Brenda Otto, Laura Wright, Mimi Singer, Stephanie Haisha, Colleen Emery.

Syd and Olivia scope out the guys at lunch.

Students enjoy conversing at lunch.

Candid

Annelle, Tatia, and Amber; They're one of

Get a hold of yourself, Brian.

They love their titles!

I told you once, I tell you a million times!

These students enjoy school.

The lunch rush

That's cool.

Would you look at her.

I'm not shy.

Steve is having a peaceful lunch.

Don't they look like they're having a lot of fun!

The billowy clouds as two lovers in the night pass by,
unnoticed.

Best of times each of us shared in
school and at home together
For you I write this poem
remembering all the incidents,
both funny and sad
Every one of them I thank you for.
Never will I forget the things
you've done for me.

SUMMER

Summer makes me feel happy and free as the
wind,
I turn my frown upside down
and make the day worthwhile.

Summer makes me feel good,
I run rampant on the beach
it's all within my reach.

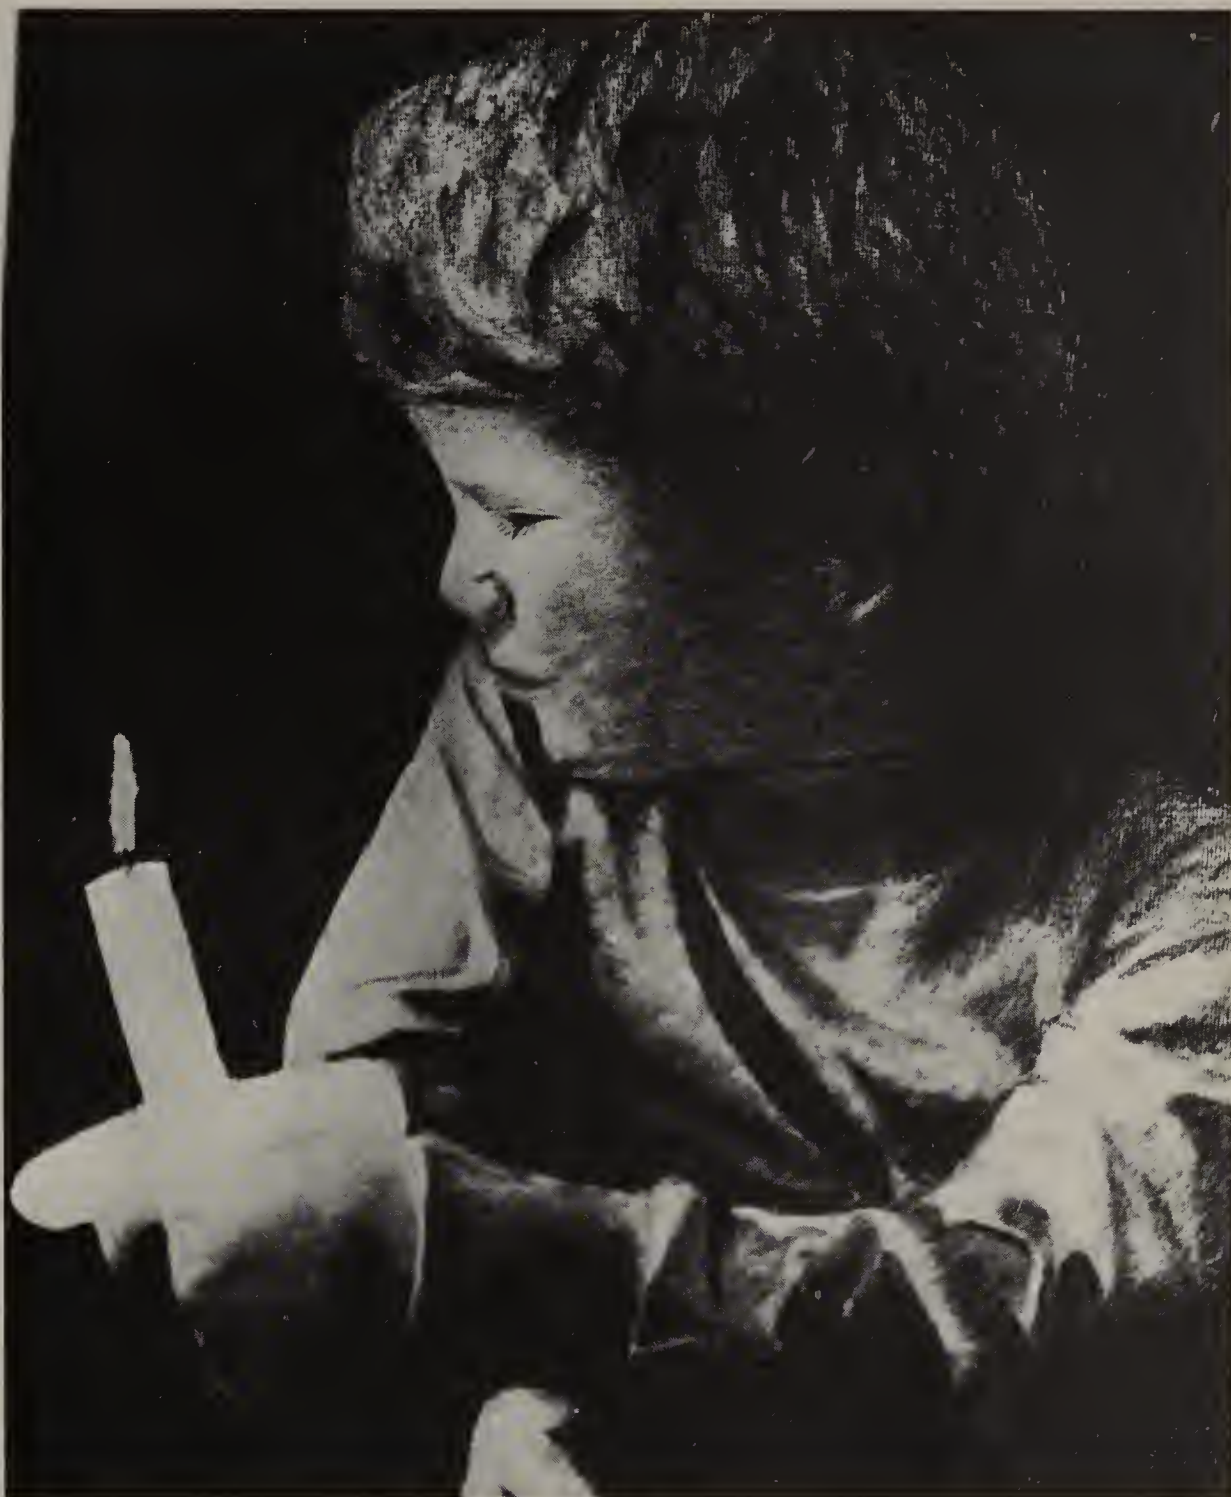

Summer is good inside us all,
running on the beach
watching fireworks fall.

Summer is tanning oil,
beach towels too.
Summer is me and you.

Summer is a butterfly in the air,
diving off the diving board,
enjoy it while it's here.

I loved you and you loved me
 And neither of us knew
 We built a wall around ourselves
 that hid our feelings, too
 We crushed those fragile feelings
 of which we were so afraid
 An our tender feelings
 withered and began to fade
 When you had to go away
 my feelings turned to pain
 Look at all the things we lost
 when we had so much to gain

SOMETIMES . . . WHEN

Sometimes it's hard
 to keep love in your heart
 when things don't work out
 and you're falling apart.

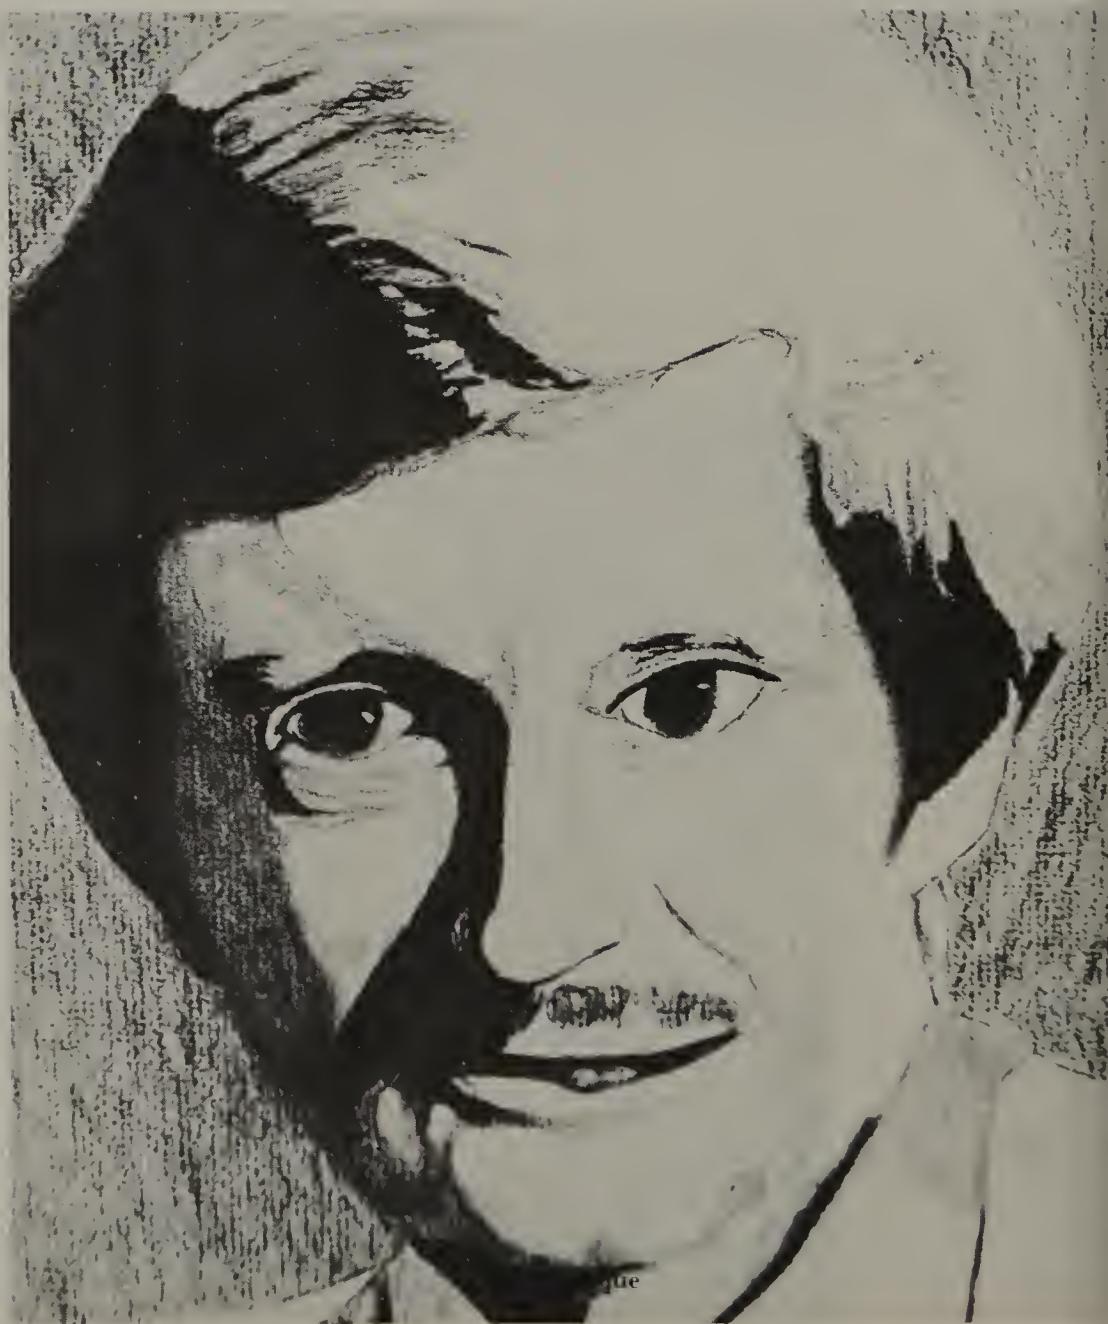

Sometimes it's hard to take life day by day
 when you know what you feel
 but not what to say.

Sometimes it's hard to be just "good friends"
 when love is still there
 and a relationship ends.

Sometimes it's hard to admit you were wrong
 when someone you love
 has been hurting too long.

Sometimes it's hard
 when three words mean so much
 when you say "I LOVE YOU"
 it's the heart that you touch.

Sandra,

Whats Shakin babikins? I'm really glad I met you, and got to know you this year! How bout that, both in the same year! I guess its because we have so much in common! We both like to have fun! I seriously hope we can become even better acquainted over the summer! I sure hope becoming a Granite Hills Varsity Cheerleader won't ruin your great personality like it has with so many others, na, your mature enough to handle it, huh? Na but seriously, you're my best student and I'm concerned for you!, can you blame a coach for caring? Well... thanks for being a good friend this year, I hope we can become closer in the future. Good luck with Herck, and lay off those jelly lounies!

P.S. Remember pugging out at the Charger and Peckre James?, there will be more!

Love,
Your Good Health & Conditioning Coach,
Bill Saar
P.S. Give me a call when your bored or get hungry! 447-4743

Sandy, we've made it through
well being year. I'm so glad
another year got to be better friends
that we can
this year. I hope
do something this summer
like go to the beach or you
can come up. I think that
you're one of the sweetest and
cutest persons I know. Stay as
sweet as you are.

My Poem

I want to live my life free, no sitting down or sleeping.
I want to run, jump, and play, try to fly and never cry.
I want to be an acrobat but, that's almost impossible for me.
I want to share my life with one person, and live on top of a mountain, in the middle of a field, in the middle of a hundred other mountains.
I want to go to college and get a degree, so I can teach other children never to cry, just run, jump, and play, and be an acrobat like me, my wish.
I want to live my life free, be young and have a good time.
I want to love my country and see every inch as I go.
I put this poem in a certain form, only so it would look like a poem, but all it really is, is my wish I want to come true.

I remember when I first came to this school, I felt like one of
a million
fish in a pool.
The classes and teachers seemed incredibly hard, from
Sophomores and
Juniors I kept up my guard.
I finally became the knowing Sophomore, who looked down at
the
freshmen, who seemed such a bore.
I learned how to drive in this wonderful year, though I did do
a job
on my father's car gears.
My Junior year was quite a blast, for chemistry and PE were
over at last.
My friends it seemed were getting much older, and I felt as if I
were
becoming much bolder.
At last my Senior year had begun, filled with dances, friends
and all
kinds of fun.
And now high school is a part of my past, with wonderful
memories that
will always last.

Happy Things

A nice sunny day not a cloud in sight
on a nice windy day.
Riding your bike on a freshly paved road
understanding your brothers secret code.
Walking hand in hand on a surf tormented shore
watching the sunset and hearing the oceans loud
roar.
There are the happy things that make me smile,
you should sit down
and try it for a while. I guaranteed it will make
you smile.

There is a paradise far far away where fairies dance
and
unicorns play. Few mortals go there and fewer stay
to this fair paradise far far away
Yet if on your journies you should come near listen
carefully
and you may hear the tears and sorrow of one lonely
deer she
weeps not for herself but for the mortal man who
will never
again and never can know of a paradise far far away
where fairies dance and unicorns play.

When I accepted the job of Editor, I felt that I wasn't quite ready for the responsibility and dedication it takes to head up the Pageant staff. Thanks to the encouragement of Mr. Beharka and some super friends, I faced the task with excitement and anticipation.

The task, however, was not an easy one. We started with only three returning people and over twenty new ones. These people had to be taught everything that goes into an annual. They luckily learned it very quickly. Going through a new publishing company was something even the returning staffers had to overcome. Yet, I think the hardest part about being editor was the fact that I had to think like everyone before I made a decision. In essence, I had to BE every student that attends Granite Hills.

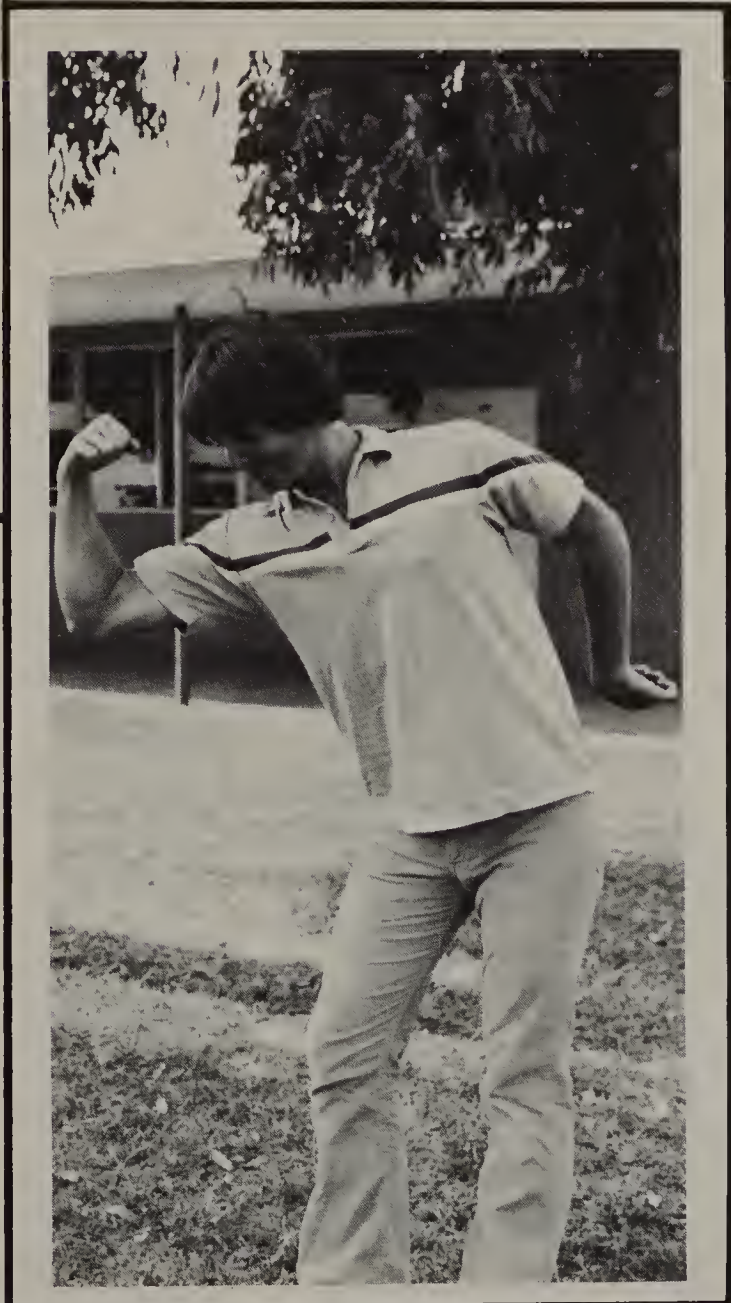

We as a staff agreed that the Pageant needed to grow in content yet keep the tradition of excellence that is distinctly Granite Hills. Keeping this in mind, we deminished the sections of Activities and Clubs and developed the new sections Student Life and Academics. We hope you enjoy this change.

I would like to thank Mr. Chuck Beharka, the section editors, the staffers and Boyd Anderson Photography for their dedication and hard work. Many times they wanted to quit, but they stuck in there and gave it their best.

We hope you sincerely enjoy this 1982 Pageant and that wherever life may take you, this yearbook will help you recall the great times you had at Granite Hills.

Thanks,
Brett Chambers: Editor-in-Chief

I put many people upon pedestals,
they seem so perfect and far,
I set standards for them
and want them to live up to those
standards — most cannot.

Of all that I have put upon those
pedestals,
only two have never let me down,
only two have stayed upon that
pedestal,
only two have remained perfect,
only two I will never forget.

They are sisters

one is gone,

one is my best friend.

Laurie & Renee, I love you both.

Love,

Candy

dandy!
 im really
 glad that we are
 friends because you are
 super sweet and cute.
 hope we can be friends forever.
 love ya
 Crystal

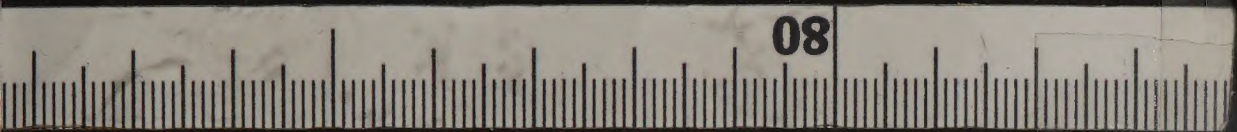

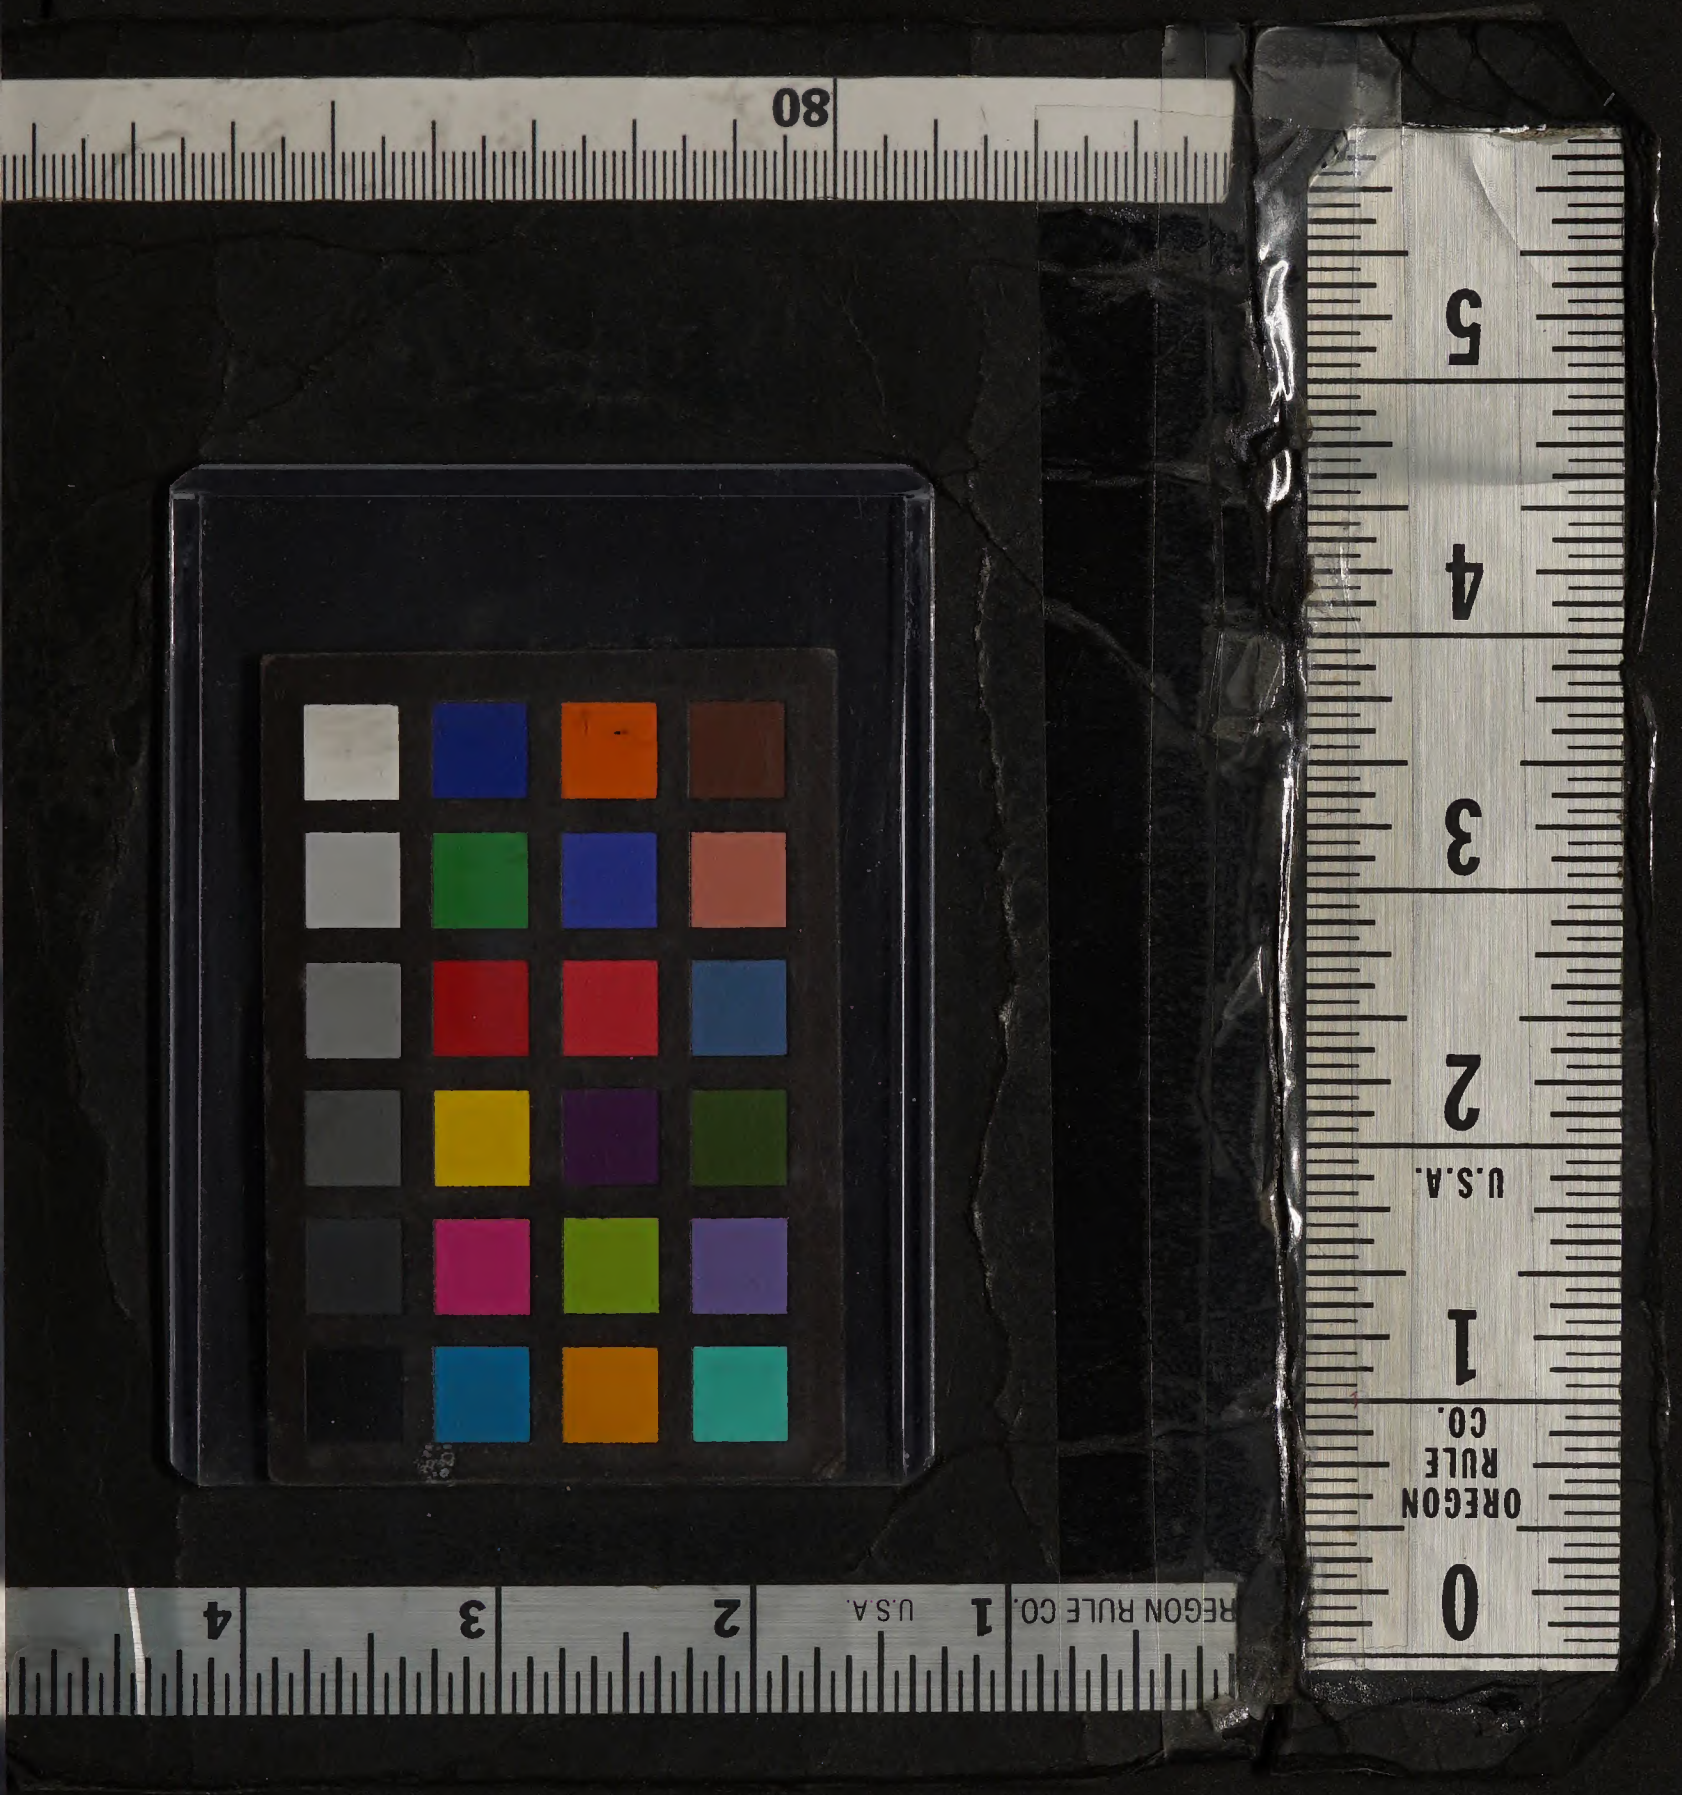

Well sandy,
 It's been a great year
 and I'm really glad we
 became such good friends!
 You're a cute person with
 the best personality. I don't
 know how to describe

sandy,
 I love you a spaz! I
 can't believe all of the
 that have gone by! It's
 think about your
 things you must have to
 everything! Good luck with
 your summer!
 I love you!
 Love ya
 I know
 you'll get
 everything!
 We've
 had a lot
 of fun times
 this year,
 and I plan
 to have a lot
 more. I think
 you should
 go out
 with
 Derek.
 have a
 good
 time.
 Love ya
 Pam

time. Just think how much fun we're going to have
Catalina. We're gonna come back with the rad
really glad that you made cheer because you deserve
it. Well I don't want to take up too much room
on Kristies page so I'd better say good bye! I
just wanted to let you know what a bitcher
person you are and what a fun summer, Love Always
Kristen ^{Hammond}

Oh Sandy,
What time we
had! your such a s

Sandy,
I guess I can say
English has been okay, I
just wish that I could
have had you in a class
where we could of had
alot more fun. Didn't you
enjoy A Brave New World, its the
best book I ever read.
Ha, ha, hee, hee, I've done that
a couple of times. I'm not
gonna be in honors next
year, so hopefully we'll get
something else together.
Good luck with cheer!

Let's go
to the beach,
for sure,

579-6486

Sandy,
I'm so glad you made
cheer, we're going to have
a lot of fun! We've been
friends for a long time
and we've had a lot
of fun. I hope that
there will be good
turns in the future!
After cheer practice let's
go to the beach and
stuff. I wish you the
best of luck in everything
you do. Have a rad summer.

Love,
Cindy Bentley

Sandy,
You're such a
scum but I like
you a whole bunch.
You're a sweet girl.
Good luck next year
as a rah, rah cheer-
leader. What a joke you
couldn't lead anything
just kidding. Have
a good summer and
see you next year
long,
Bridgette
Montgomery

P.S. For a scum
you have nice
clothes.

Sandy,
Well Tugging has been
pretty much fun, at
least it's better than
the Algebra class we
had together last year.
I've known you along
the time and you're a
really neat friend.
I hope you have a
rad summer and
I'll probably see you
but if I don't you
better call me.

K.I.T. 442-2949

Love,
Teacher
